COUNSELING AND RESEARCH ASSOCIATES DBA MASADA HOMES FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Counseling and Research Associates dba Masada Homes Foster Family Agency (the FFA) in October 2015. The FFA has one licensed office located in the Second Supervisorial District, two offices located in the Fifth Supervisorial District and one office located in San Bernardino County. All offices provide services to the County of Los Angeles DCFS placed children. According to the FFA's Program Statement, its stated purpose is "to provide children with a stable and supportive living environment while preparing them for reunification with their biological families or placement."

At the time of the review, the FFA supervised 90 DCFS placed children in 41 certified foster homes. The children's average length of placement was one year and their average age was 12.

SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the FFA homes; having been provided with good care and appropriate services; being comfortable in the placement environment; and treated with respect and dignity. The Certified Foster Parents (CFPs) reported that they were supported by the FFA staff in their efforts to provide care, supervision, and service delivery to the children placed in their homes.

The FFA was in full compliance with all 11 areas of CAD's Contract Compliance Review: Licensure/Contract Requirements; Certified Foster Homes; Facility and Environment; Maintenance of Required Documentation and Service Delivery; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2015-2016**

SCOPE OF REVIEW

The following report is based on a “point in time” review. This compliance report addresses findings noted during the October 2015 review. The purpose of this review was to assess Counseling and Research Associates dba Masada Homes Foster Family Agency’s (the FFA’s) compliance with its County contract and State regulations and included a review of the FFA’s Program Statement, as well as internal administrative internal policies and procedures. The compliance review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For purposes of this review, 10 placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed all sampled children. During the home visits, the children were observed to be comfortable and well cared for and their Certified Foster Parents (CFPs) were observed to be responsive to the needs of the children. CAD reviewed 10 case files to assess the care and services the children received. Additionally, four discharged children’s files were reviewed to assess the FFA’s compliance with permanency efforts. At the time of the review, one child was prescribed psychotropic medication. This child’s case file was reviewed to assess for timeliness of Psychotropic Medication Authorizations and required documentation of psychiatric monitoring.

CAD reviewed 6 CFP files and 5 staff files for compliance with Title 22 Regulations and County contract requirements. Site visits were conducted to the FFA and the CFP’s homes to assess the quality of care and supervision provided to the placed children.

CONTRACTUAL COMPLIANCE

CAD found all 11 areas to be in compliance.

PRIOR YEAR FOLLOW-UP FROM DCFS CAD'S FFA CONTRACT COMPLIANCE REVIEW

CAD's last compliance report dated September 17, 2015, identified 6 recommendations.

Results:

Based on the results of the current review, the FFA fully implemented all of the previous recommendations for which the FFA was to ensure that:

- The FFA is in compliance with Title 22 Regulations and free of CCL citations.
- The exterior grounds are well maintained.
- The common areas/interior is well maintained.
- Children's bedrooms/interior are well maintained.
- CFPs participate in the development of Needs and Service Plans (NSP).
- Children are progressing toward meeting NSP goals.

At the exit conference, the FFA representatives stated their desire to remain in compliance with all Title 22 Regulations and Contract requirements. The FFA will consult with Out-of-Home Care Management Division for any additional support and technical assistance and CAD will continue to assess for contractual compliance during the next review.
